NOTICE TO CAMERON COUNTY RV GUESTS REGARDING RESERVATIONS

In the coming year we will be undergoing some major renovations and improvements to Isla Blanca and Andy Bowie Park. Included in this renovation are upgrades to the RV section of the Parks. This includes electrical upgrades, new campground designs, site additions, park rehabilitation and reconfiguration.

Because of this, and the yet to be determined construction schedule, effective immediately, we will not be taking reservations for next season.

While we are sorry for the inconvenience this may pose to our valued customers, our goal is to make sure we do not have any problems with the campground as we proceed to construction.

If you have made a reservation and placed a deposit for next year you will be reimbursed. In addition, we will stay in close contact with you to provide updates and information as they become available.
